

Notes on Manifesto

UCLA Manifesto

DH is collaborative and accumulative—(even in the face of challenges to credibility)

Bloomsburg Manifesto

DH gives insight to the humanities

DH gives insight to the ways that technology changes world

DH gives insight to the ways that we alter with technology & the world

DH Manifesto Paris

Embodies methods and systems within Humanities and social sciences: sociology & anthropology & criminology

Multilingual and multidisciplinary community without borders “open, welcoming and freely accessible”—

DH is not a “tabula rasa”—not a blank slate; DH relies on the past to innovate a future; it supplies a savoir faire—information literacy, not just information
